

I Made Witarsana

Freelance Full Stack Developer

I was inspired by one famous quote, "Stay fool, stay hungry"
Make me always learn new thing and get new experience.
You can visit www.koyoroyo.com to see my last project.

Experience

PT Mahpati Solusindo

- **Backend Engineer** *Oct 2019 - Jan 2020*
I made REST API using PHP (Laravel) which will be used at the front end
- **Software Developer** *Jan 2017 - Oct 2019*
Join the team who collaborate with the TNI AL (Indonesian Navy Headquarters) to build several products such as information systems that handle ships, aircraft, combat vehicles, correspondence and information systems for two educational institutions owned by TNI AL, namely Kodiklatal and Seskoal. I also developed several prototype products at the Navy environment, such as the personnel information system used for checking the strength of personnel.
